Message

I am glad to learn that The Association of Otolaryngologist of India is organising its 69th Annual Conference from 2nd to 5th February, 2017.

I am sure that the deliberations in the conference will provide an opportunity to exchange views and experiences on the latest technology and will be highly useful for the benefit of the persons suffering from ENT problems.

I convey my felicitations to all the members associated with the AOICON and wish the Conference all success.
